Motion passed unanimously

SWCD Tour

The Water Task Force members who attended Doug and Jeff recapped the SWCD tour for others who could not be there. The tour visited the limestone filter which has some issues, a wetland restoration and some sediment control basins. Task Force members strongly encouraged others to attend in the future.

Wright County Water Management

311C Brighton Avenue South - Buffalo, MN 55313 - (763) 682-1970

One Watershed One Plan

North Fork of the Crow

Alicia told the group the plan was on schedule to have been approved on June 27th. Next will come the annual workplan

County Fair Booth

Alicia asked members of the Task Force to sign up to volunteer for the SWCD Fair booth.

Aquatic Invasive Species

Alicia updated on treatment grants. Going well so far, two associations have put in their requests so far.

Paul expressed that the survey requirement makes it difficult for lake associations to afford treatment.

Alicia updated on At-the-Ramp monitoring 3354 inspections to date. 1.4% transport violations, mostly plants and 4.67% drain plug violations.

Alicia said that Starry Trek was scheduled for August 18th to look for starry stonewort

Alicia updated on the WRIP program 1771 inspections and 70 decons as of 6/15/18

Monitoring Projects

Discovery flowing sometimes

Crow River project is business as usual

Filters are being maintained for weeds with water safe chemicals.

Urban Influence

Wright SWCD Conservation Corps member Ethan will research.

Other Business

Group decided to meet in Annandale to visit the WRIP station for the August meeting.

Next Meeting

The next meeting will be August 23rd at 6:00pm

Adjourn

Meeting adjourned at 7:58 p.m.
